

We demand
encouragement
and direct
engagement of
young minority voices!

» The complete demand is as follows:

Decision-makers should encourage and invest in dedicated processes which amplify young minority voices and ensure their direct engagement.

This demand was formulated at the EU Youth Conference by youth delegates from all over Europe. Together with six other demands they have become part of the Conclusions of the Council of the EU (2020/C 415/09). The demands summarize important steps in order to put European Youth Goal #9 "Space and Participation for All" into practice.
