

We demand  
safe digital spaces  
for young people!

» The complete demand is as follows:

We request that the European Commission puts the creation of safe digital spaces for young people, along with the support and funding of developing digital literacy activities, as one of the top priorities in all programmes along with prioritising it horizontally at European level.

This demand was formulated at the EU Youth Conference by youth delegates from all over Europe. Together with six other demands they have become part of the Conclusions of the Council of the EU (2020/C 415/09). The demands summarize important steps in order to put European Youth Goal #9 "Space and Participation for All" into practice.
